Puri, Odisha 752002 | 📞 +91 9040444559 | [swadhinkumar2004@gmail.com](mailto:swadhinkumar2004@gmail.com) | [linkedin.com/in/swadhin-kumar-400aa71a0](https://www.linkedin.com/in/swadhin-kumar-400aa71a0)

## Objective

B.Tech (CSE, Data Science) graduate seeking an IT industry role to apply my skills in development, analytics, and cloud solutions. Enthusiastic about innovative projects in fast-paced environments, combining technical acumen and effective communication.

## Professional Summary

Resourceful computer science graduate with hands-on project delivery in web development, ML solutions, and cloud integration. Detail-oriented and collaborative, with experience supporting teams and handling challenging business scenarios. Quick learner, driven by results and continual improvement.

## Education

|                                                                                      |                                                                          |
|--------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| <b>GIET University, Gunupur</b><br><i>Bachelor of Technology in Computer Science</i> | Jul 2022 – Jun 2025<br><i>CGPA: 6.98/10, Data Science Specialization</i> |
| <b>CTTC, Bhubaneswar</b><br><i>Diploma in Mechatronics</i>                           | Jul 2022<br>75.6%                                                        |
| <b>DAV Public School, Puri</b><br><i>CBSE</i>                                        | Jul 2019<br>83.6%                                                        |

## Technical Skills

|                                                                                                    |
|----------------------------------------------------------------------------------------------------|
| <b>Programming Languages:</b> Python, Java, C#, SQL, PHP, HTML, CSS, JavaScript                    |
| <b>Frameworks:</b> Django, Flask, Node.js, React.js, ASP.NET, Bootstrap, FastAPI                   |
| <b>Tools:</b> VS Code, Git, Android Studio, Jira, Figma, ServiceNow, Power BI, Streamlit           |
| <b>Data Science:</b> Pandas, Scikit-learn, OpenCV, TensorFlow, ML, Data Visualization, Forecasting |
| <b>Databases/Cloud:</b> MySQL, PostgreSQL, MongoDB, Azure basics, SQLite                           |
| <b>CRM/ERP:</b> Salesforce Trailhead, ServiceNow                                                   |
| <b>System/Networking:</b> Windows/Linux, LAN/Wi-Fi troubleshooting, HTTP/HTTPS, DNS, VPN           |
| <b>General:</b> Problem solving, debugging, agile teamwork, technical documentation                |

## Internships and Experience

|                                                                                                                                                                                                                                                                                                                               |                               |

### Relevant Coursework

- Data Structures & Algorithms
- Database Management Systems
- Machine Learning
- Computer Networks
- Operating Systems
- Data Visualization
- Web Technologies
- Cloud Computing

### Extracurricular & Leadership Activities

- Member, Coding Club GIET (2022-2025): Organized workshops and code marathons
- Finalist, College Hackathon (2024): Developed real-time data logger and dashboard
- Volunteer, TechFest (2023): Coordinated technical events and managed sponsors
- Mentor, Peer Programming: Helped juniors with Data Science and Python basics

### Achievements

- Won “Best Project” in college miniproject expo (2023)
- Top 5% performer in Kaggle Python challenge
- Completed Google Data Analytics Certification
- Maintained CGPA >6.9 throughout engineering

### Certifications

- HackerRank Python (Basic)
- Kaggle Python (Basic)
- Wipro TalentNext DotNet Full Stack
- NPTEL - Joy of Computing Using Python
- NPTEL - Programming in Java
- Microsoft Cloud Fundamentals
- Google Data Analytics (Coursera)

### Additional Information

- Strengths:** Diligent, collaborative, troubleshooting, resourceful, adaptive, strong communication
- Portfolio:** [github.com/swadhinkumar2004](https://github.com/swadhinkumar2004)
- Languages:** English (fluent), Hindi (native)
- Interests:** Data science, full-stack development, cloud solutions, automation, latest tech trends
